

# East Midlands Cycle Racing League (EMCRL)

## Annual General Meeting

Friday 12<sup>th</sup> March 2021

The AGM was held using Zoom conferencing

### Attendees

Mike Twelves, Susie Hopkins, Geoff Giddings, James Smith, Becky Smith, Alby Smith, Louise Hughes, Colin Jones, Dave Cherry, Hellen Jarvis, Richard Gaul

### Secretarys Report

Given by Mike Twelves. No racing in 2020 due to Covid. Opportunities to restart in August were considered but the requirements to make racing covid-secure were felt to be too onerous.

### Treasurers Report

Given by Susie Hopkins. Current bank balance stands at £2752. Expenditure was minimised in 2020, limited to items committed before lockdown (BC registration and software licenses) and items required to ensure continuity (web hosting and registration). With the uncertainty surrounding 2021 it had been decided to postpone BC registration pending the AGM outcome.

### Committee Membership

Mike Twelves, Susie Hopkins and Geoff Giddings all resigned. A good amount of notice had been provided giving the opportunity for others to consider taking on these roles

Alby Smith (proposed by R Gaul, seconded by C Jones) was elected without opposition as Chairman

Louise Hughes (proposed by Dave Cherry and seconded by Becky Smith) was elected without opposition as Secretary

Richard Gaul (proposed by C Jones and seconded by L Hughes) was elected without opposition as treasurer

The new committee also decided to appoint the following positions

- Covid Compliance – Richard Gaul
- Media and Marketing – Becky Smith

### Transfer of authority

Suise Hopkins agreed to transfer authority for banking. It was agreed that the 3 committee members (Chairman, Secretary and Treasurer) would be signatories on the account

Mike Twelves agreed to document and transfer all password/system access details

### Proposals

No racing at New College in 2021, focusing effort on Mallory – Agreed

2021 race events, proposed as 11/5 to 6/7, then 3/8 to 31/8 and final night on 7/9 – Agreed. Noted that dates will obviously be subject to both BC guidance/approval and general lifting of restrictions by Government
